We must thank most sincerely our match programme and match ball sponsors, particularly the two Sunderland firms who have so generously sponsored the match balls. Sunderland Dock Iron and Steel Works (Mr. B. Sewell) and Be Modern Furniture (Mr. G. Childs). Come on Darlington get behind your team and give us the support we urgently need.

BELLIOTT VIEWPOINT

Today sees the start of our League games and a season, which will I hope, see Darlington well up the table. This game of football is certainly full of "ups and downs" with already for Darlington, a taste of defeat.

In our away game at Bradford we won comfortably coming out of the tie with a two-goal lead. Most people would have said it was a mere formality to just "hold" Bradford City at Feethams. Instead of which we received a three-goal hammering. Our players were never in the game—gone were the simple and basic factors of football. The team lacked urgency and there was no sign of aggression. There will, I assure you, be signs of aggression from the manager if I see more displays of this kind.

Today I welcome Wigan to Feethams and the chance to get Tuesday's defeat out of our system. One thing for sure we can expect to have to fight all the way. Last season—Wigan's first in League football—they finished 6th, a magnificent achievement. Here's to a good and fair game and may the best team win.

I am happy to report Derek Craig is making excellent progress following his cartilage operation.

Monday will regretfully see my appearance before the F.A. Disciplinary Committee in London. Darling'tons behaviour on the field has been much criticised in the past and the rectification of this comes high on my list of priorities. Any dissent on the field will be severely dealt with.

Dickie Deacon

The 1979-80 season commences officially without one of its first team in the backroom—Dickie Deacon. Though I don't think he'll be able to stay away from Feethams for any length of time. Although his clubs have been many, his heart is with Darlington, the place where he was born in 19 ? He can remember but doesn't care to divulge the information. His professional football career started at Wolves in 1929, from there he went to West Ham, then to Chelsea and on to Lincoln where he remained until war broke out. He did war work and played for Darlington during that time. His biggest disappointment was with Lincoln City when at the end of the season the Third Division club were denied promotion on goal average. Dickie likes all sport mainly football, cricket, golf—in fact if he hadn't played football professionally, he would liked to play golf professionally. His main disappointment now is seeing Darlington at the bottom of the Fourth Division and his ambition in his senior years is to see Darlington win promotion. He joined the staff at Darlington in 1949 and has worked hard behind the scenes watching each season commence full of hope, only to start all over again the following year. But this year Dickie thinks things will be different and although Tuesday saw a lot of people disappointed, he has been in the game too long not to realise that neither success nor failure depend on one game.

We have some new blood at Feethams and Dickie wishes them every success on the field and off. We hope Dickie finds his pleasure and contentment in his well-earned leisure time. He has devoted his life to the game of football and at a time when the financial rewards were not great. His reward has been the knowledge that he has done his job on and off the field conscientiously and to the best of his ability. We extend to Dickie and his family our best wishes and most of all a big THANK YOU.

WIGAN ATHLETIC

IAN McNEILL (Manager)

After service with ~~Leicester~~ as a youngster, Ian made his English League football debut at a valuable part in the playing staff of Leicester City, Brighton and Southend United. Eventually came a name for himself as a successful manager of quality with Ross County in the Highland League and Wigan Athletic in the Football Premier League. Became Wigan Athletic's first Football League manager last year and achieved miracles on a tight budget.

KENNY BANKS (Trainer)

A popular midfield player with Wigan in the 1950's, Kenny is now almost a fixture at the club. One of the most popular and most loyal characters ever to be associated with Wigan Athletic.

JOE HINNIGAN (Defender)

23 years of age and with 44 very promising Football League appearances behind him, Joe is definitely a player to watch for the future. He has already attracted the attention of several League clubs, who are no doubt impressed by his ability to snatch vital goals as well as his cool defensive play.

TOMMY GORE (Midfield)

Player of the year in the eyes of Wigan supporters for the past two seasons and runner-up in last year's Fourth Division Player of the Year competition, Tommy is a vital cog in Wigan's team play. Loves to attack, and can bring the crowd to its feet with his forceful shooting.

Released by Tranmere has matured into one of the best midfield players to wear the white shirt in post-war years. Made 10 appearances last season.

NOEL WARD (Defender)

Noel, who joined Wigan Athletic, has gone from strength to strength. As last season he gave his team a valuable lead to such an extent that he attracted the attention of several First Division clubs in England. Was a member of the Ireland squad for their game against Bulgaria. A frequent goal scorer. Is a very useful utility player. Has played over 50 games in the Football League and Scottish League football.

DAVID FRETWELL (Forward)

David made 253 appearances for Bradford City before joining Wigan on a free transfer in the summer of last season. A capable professional, who does not shirk a cent job without any heart of the Wigan club. His experience was invaluable in last year's Football League Cup. Wigan hope he will add to his appearances to the 350 mark. Has already played in the white shirts.

FRANK CORRIGAN (Forward)

Frank made 50 appearances last season in Division Four. He has the wealth of non-League experience gained principally with Victoria and the Wigan Athletic. Always at his best when called forward in support of the team. Frank is a constant source of trouble with his strong running, powerful passing and crisp shooting.

MICKY MOORE (Forward)

After serving Wigan with distinction in the Football League player, Micky moved to Vale in 1978, and played

in the Vale shirt, without ever
settling into a front-running posi-
tion. Rejoined Wigan at the start
of last season, and made 43 appear-
ances scoring 10 goals. A selfless,
hard-working front man, Micky is
an invaluable member of Wigan's
squad. A fine dressing-room influ-
ence, with a lively sense of humour.

PETER HOUGHTON (Forward)

A strong, aggressive striker, who
was unlucky with injuries in 1978-
79. Nevertheless, Peter scored 14
goals in 31 appearances, and he is
expected to notch many more as
Wigan make the push for Third
Division football during the coming
season. Already attracting the
interest of higher graded Football
League clubs.

JEFF WRIGHT (Midfield)

An ever-present, with 51 appear-
ances in the 1978-79 season, Jeff has
been a consistent performer for the
Wigan club. On his day, one of the
most gifted ball distributors in the
Fourth Division. Jeff also has the
knack of scoring vital goals, and
never looks out of place in higher
company. A player to watch for
the future.

IAN PURDIE (Forward)

The magician in the Wigan attack,
Ian can destroy any defence when
"on song". Scored 11 goals last
season from 51 appearances on the
left flank. An ex-Scottish under-23
international, who has seen service
with Aberdeen, Dundee and Mother-
well, from which club he joined
Wigan last year.

DEREK BROWNBILL (Forward)

Signed from Port Vale, this ex-
Liverpool striker enjoyed a good
spell with Wigan last year. Now,
with over 100 League appearances
and 19 goals to his credit, Derek is
looking forward to an even better

year ahead. Very popular with the
Wigan fans, he certainly makes
things happen.

KEVIN SMART (Defender)

Joined Wigan from Plymouth
Argyle prior to the start of the
1978-79 season. Kevin now has over
70 League games to his credit. A
gritty player, he is always involved
and can be relied upon to give 100
per cent. effort wherever he plays.

JOHN BROWN (Goalkeeper)

John saw service with Preston North
End and Stockport County before
joining Wigan Athletic. With 155
League appearances behind him, he
gives stability and experience to a
Wigan defence which it noted for
its difficulty to break down. Enjoyed
a highly successful year in 1978-79.

GEORGE URQUHART (Midfield)

Signed recently for a nominal fee
from Ian McNeill's old club, Ross
County, George is expected to be a
talented addition to Wigan's mid-
field strength. A player who loves
to attack, but who can also win
the ball, he has the reputation of
being one of the best Scottish non-
League players. Saw some service
with St. Mirren, and expected to
push strongly for a place in Wigan's
first team during the coming
season.

NIGEL HART (Defender)

Younger brother of Leeds United's
Paul. Yet to make his debut at
Football League level, but aims to
hit the big time this year.

IAN GILLIBRAND (Defender)

Long-serving member of the club's
playing staff. Was unable to com-
mand a regular place last year, but
is confident of pushing hard for
selection this time. Already being
groomed to join the training and
coaching side of the club.

Looking over our Jim's Shoulder

A pleasing factor so far has been the number of young players requesting trials at the club and attending training sessions. The whole of the region is rich in good youngsters and in the past these have been regarded as the exclusive property of Middlesbrough, Sunderland or Newcastle, or have gone to some of the big clubs up and down the country. Traditionally, Fourth Division clubs have tended to live off the bigger clubs with youth policies coming very low on the list of priorities, but such has been the effect of inflation in the transfer market that more and more clubs have been forced to reconsider their position with regard to youngsters.

There are now four apprentice professionals at the club with Donald Ball and Kevin Cane being joined recently by Freddy Barber, a young goalkeeper from Ferryhill, and Tynesider Derek Nesbitt, a striker, who signed only this week. We intend to add to these in the coming weeks and to continue to encourage the younger players at present attending evening training sessions with Ian Larnach. The club will have a centre in Darlington where youngsters can train and receive tuition and also on Tyneside, so that the whole region will be covered and Darlington Football Club will be geared to attract, cater for and select talented young players and so build a solid platform for future years.

Encounters

We welcome Wigan Athletic to Feethams today for the second time since they came into the League in the summer of 1978. However we have entertained a team from Wigan before, when Wigan Borough were members of the old Third Division North from 1921 to 1931 before having to resign in October, 1931, through financial difficulties. We won seven out of eight of these encounters at Feethams, while our journeys to Springfield Park produced one win, three draws and four defeats (only eight encounters were possible as Darlington were in Division Two from 1925-27).

Last season we renewed our rivalry with Wigan after forty-seven years, when Athletic finally gained League status at the thirty-fifth attempt. After a disastrous start when they took only one point from the first ten and slumped to bottom of the League, the Latics had recovered well and climbed to mid-table when they made their first appearance at Feethams on 9th December last. An early goal by John Stone gave us the lead and after half-an-hour Wigan lost 'keeper Brown injured, and centre-half Ward had to go in goal. The Quakers were unable to capitalise on Wigan's misfortune and Ward capably stopped everything (it was later discovered he had played in goal for Aberdeen). Wigan fought hard and equalised in the second half through Moore to gain a point. Our visit to Springfield Park for Wigan's last home game of the season on 28th April, must have been equally frustrating for their supporters as was the Feethams game. Moore gave them an early lead, but Jimmy Seal levelled the scores. Brownbill restored Wigan's lead before half-time, and when Jimmy Cochrane was sent off early in the second half it seemed things were going Wigan's way. Yet a stern fight by the ten-man Quakers, saw Alan Walsh equalise to salvage a point.

Last season's Feethams encounter

9th December. Attendance 1,967. Darlington 1 (Stone), Wigan Ath. 1 (Moore).

Darlington: Burleigh, Nattress, Cochrane, Hague, Craig, Stone, Probert, Ferguson (sub Crosson), Seal, Wann, Walsh.

Wigan Athletic: Brown, Smart, Hinnigan, Gore, Ward, Fretwell, Corrigan, Wright, Houghton, Moore, Purdie.
